## Rules and Punishment

You will find the answers to the questions below by reading the Code of Conduct and L.U.T book.

Q1 Look at the code of conduct for employees. What is the date of the code? What was expected of employees?

Q2 Look at the black book. What do think the acronyms L.U.T stand for? What was this book used for?

Q3 What sort of incidences are described and when did they take place? Who gave the accounts of what happened and who might have written them into the book?

Q4 In the descriptions what clues are given about individual social circumstances and daily lives?

Q5 Compare the accounts of Mrs Seal and how she was treated by her employers with accounts from the punishment record book? Do you think employees were always treated fairly?
